

Mount Pisgah Weekday School

Highlights of the Pre-Kindergarten Program

Goal: To prepare students for kindergarten by fostering both independence and a love of learning through cross curriculum lessons that include literature, beginning reading, math science, social studies and cooking.

Weekly themes are presented in each class to give your child opportunities to explore in the following areas:

Gross and Fine Motor Skills: to develop good pencil grip and penmanship, and the ability to excel physically.

Literature: including phonics and print awareness, word families and sight words

Math: including addition, subtraction, monetary values and word problems

Christian Growth: including bible memory verses, prayer log and the Lord's Prayer. Chapel is attended weekly

Scientific experimentation, Art, Cooking, Dramatic play, Games, and Songs - to enhance themes and learning

Themes may include: pets, Pilgrims, Native Americans, transportation, pond life, healthy living, Christmas, snow, different countries, etc.

Field trips and "in school" events are planned throughout the year and in years past have included:

grocery store
farmer's market
pizzeria

fire station
Homeland Creamery
local theater

Outside time is provided daily, weather permitting. The Fellowship hall is available during inclement weather, with riding toys, balls, hula hoops, balance beam etc.

Free play times offer access to blocks and other building materials, home living and dress up, action figures and vehicles, puzzles, books and educational computer games.

*Computer lab is attended weekly. Music classes are provided twice a month, Creative Movement class is provided once a month.

*Parents provide a light morning snack and lunch.
